

SUMMER CAMP FEE POLICY

Reminder to all parents that full payment is due for each week of camp 14 days before the beginning of the week that your child is enrolled. Due to extensive waiting lists, we must strictly enforce the payment policy, including the application of late fees and cancellation of slots for nonpayment without reminder. Following this process will insure that all children are afforded the opportunity to participate and will not be prevented from accepting slots due to last minute cancellations. Your cooperation and understanding in this process is greatly appreciated.
